AMENDMENT PURSUANT TO 37 C.F.R. § 1.111

Applicant responds to the July 19, 2005 and September 15, 2005 Communications from the examiner with the following amendments and remarks. This amendment replaces the amendment Mailed on September 1, 2005. The listing of claims which begins on page 3 reflects the amendments to the claims. Remarks begin on page 9 of this amendment.

Amendments to the Written Description begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks/Arguments begin on page 9 of this paper.

Application No. 10/614,114
Amendment dated September 16, 2005
Response to July 19, 2005 Office communication

Amendments to the Written Description:

Please add the following new paragraph before the last paragraph on page 20 of the written description:

The composition, process, process of producing a product, product produced thereby and article of manufacture of the invention employ, inter alia, a solid inorganic lubricant as the material for decreasing friction.
